Senior leader with over a decade of experience delivering complex, multi-stakeholder SEO and digital marketing programmes across commercial contexts, agency-side and in-house.

Proven at building bold strategies, trusted relationships, running clear governance models, stewarding multi-million-pound budgets, and evidencing commercial impact for senior stakeholders and boards.

Experience

January 2023 – December 2025

Executive Business Director *OMD UK (part of Omnicom Group)*

Senior ownership of multi-partner programmes and organic performance across enterprise clients including Barclays, Mercedes-Benz, Clarks, Lidl and British Gas. Directly accountable for £1.5m+ in FTE'd revenue (team of 10, including 3 direct reports), with shared senior responsibility alongside the Managing Partner for the department's total annual revenue of c.£3.5m (team of 23), including forecasting, resourcing decisions and delivery oversight.

- Co-led cross-functional programme integrating Organic Performance with Paid Search and Social, delivering +9% YoY growth in Barclays Investments traffic and outperforming category demand
- Secured >£250k incremental FTE'd revenue through new (AI) programme initiatives in Q4 2025
- Authored technical workaround to Mercedes-Benz internationalisation challenges, which led to £73.7K estimated savings in PPC spend annually, and a 120% increase in UK traffic to the brand's critical Sprinter Page
- Launched department-wide field guides, competency frameworks and learning programmes to build technical and AI capability and support long-term progression

May 2021 – December 2022

Business Director *Blue Array (B Corp)*

Responsible for team capacity planning, progression paths and overseeing client strategies and delivery roadmaps across a stack that included ecommerce, publishing and finance clients including Rothschild Bank, The Independent, French Connection, Global Government Forum and LEK. Key areas of focus included developing commercial ideas and campaign strategy, establishing internal processes and efficiencies, and people development - accountable for a team of 7 SEOs, including 3 direct reports.

- Led strategic recommendations for Future Media Group that resulted in the retirement of AMP pages, delivering a forecasted revenue upside of over £1m through improved performance and efficiency
- Designed and executed an organic acquisition programme for Monsoon & Accessorize, resulting in a 180% year-on-year increase in organic clicks and recognition with a European Search Award for Best SEO Campaign

December 2018 – April 2021

Head of Campaign Marketing & SEO *IDP Connect*

Led acquisition and campaign strategy across domestic and international digital platforms generating over 100 million users annually. Acted as escalation point for acquisition-related matters and internal advocate for maturity, governance and performance across teams. Accountable for a team of 11 digital marketers (including 5 direct reports), with a strong record of progression and promotion.

- Transformed paid media strategy into a scalable, revenue-generating commercial model, delivering £140k+ in incremental revenue
- Led go-to-market strategy for new domestic product launches including the Whatuni mobile app, and Complete University Guide re-platforming, achieving record-breaking growth during peak (A-Level Results Day) periods
- Delivered high-profile influencer and digital PR campaigns, gaining national recognition and industry awards

Earlier Roles

- Senior Search Engine Marketing Manager – **IDP Connect** 2017 - 2018
- App Marketing Specialist – **IDP Connect** 2017
- ASO Marketing Consultant – **Redbox Mobile** 2016
- Digital Marketing Manager – **Cycle Alert / Airside Andy** 2013 – 2016

Youth and Community Programme Experience

January 2017 - Current

Volunteer and Mentor *Spiral Skills (Brixton), WYK, Women in Tech SEO*

- Designed and structured training day programmes for teenagers, focused on skills development, confidence building and progression
- Supported remote work experience opportunities for young people with refugee status
- Delivered mentoring and workshops to widen participation and increase access to careers in digital and creative industries

Education

- A Levels x 3, ABB
- GCSEs x 10, all A*–A
- Institute of Leadership & Management (ILM) Level 3
- Member, mentor and contributor to Women in Tech SEO
- Presently studying Thai Language part-time with SOAS

Awards/Recognition
